

ICMAN5 TRAVEL GRANTS AND STUDENT AWARD

Travel Grants

The ICMAN5 Committee is pleased to announce that up to eight (8) student travel grants available for successful poster submissions and invites students interested in postgraduate research in the areas below to apply for an ICMAN5 Travel Grant:

- » Clinical Research Strategies for Demonstrating Efficacy and Safety
- » Approaches to Elucidating the Mechanism of Action of Nutraceuticals
- » Evidence Demonstrating Disease Prevention and Treatment
- » Indigenous Medicines
- » Regulatory Frameworks for Nutraceuticals
- » Manufacturing and Quality Assessment Challenges
- » Funding and Commercialisation of Research

Up to eight (8) postgraduate students will be awarded with up to AU\$400 cash* travel grant and each will receive a refund for their Full Conference Student Early-bird Registration Fee.

Research Higher Degree (RHD) Student Award

The ICMAN5 Committee will award one (1) RHD student with a Prize during the Poster Session at the ICMAN5 Conference. The RHD Student Posters will be judged by a panel made up of ICMAN5 Committee Members. The panel will individually speak with the eligible RHD Student Poster Presenters about their work, whilst the RHD Students are in attendance and next to their Poster during the designated Poster Session.

***For more information on how to apply including full terms and conditions simply visit www.icman5.org or please contact us via Phone: +61 (0)7 3331 3999 | Email: info@icman5.org**

We look forward to seeing you in Brisbane, Australia in October 2011!
